

## ICM ~SEEDS OF LOVE, GARDENS FOR HOPE

**International Children's Month/International Children Love Earth is happy to bring to you this years 2015 workshop opportunities ~**

**Master Guardian** workshop/plant with ICM mentors a 30 x 30 foot 13 point galactic water, rainbow corn seed medicine wheel, experience planting prayers, intention based work, self love, unity of community and school, ancient earth songs, improv and theater games all will be incorporated while creating and planting this exceptional way to garden that keeps on giving. ICM will provide the 300 glass gem rainbow corn seed, which will mature in 110 days through to harvest, and what a harvest it will be !! No two cobs are alike, it's like Christmas and better ! The beauty of Carl Burn's Glass Gem Rainbow Corn will astound the heartiest gardener, or the most bored human participant. Share the seed  $\frac{1}{3}$  you keep for seed next year  $\frac{1}{3}$  to be gifted out to the community and  $\frac{1}{3}$  back to ICM for supporting more growing projects ! This workshops takes a half a day to complete from start to finish, morning or afternoon times available. Email [www.internationalchidrensmnth@gmail.com](mailto:www.internationalchidrensmnth@gmail.com) to book your time today.

**Three Sisters Guardian** Workshop/plant you determine the placement of this ancestral way of planting in mounds. ICM Mentors will provide the Rainbow Corn Seed, Squash, and Bean seed. This is an exciting opportunity for children to understand how gardening works, and how plants help each other, just like people. We will learn planting prayers, sing some ancestral water songs, do some fun improv and theater based unity games, and thoroughly enjoy ourselves ! Corn takes 110 days through to harvest, and what a harvest it will be !! No two cobs are alike, it's like Christmas and better ! The beauty of Carl Burn's Glass Gem Rainbow Corn will astound the heartiest gardener, or the most bored human participant. Share the seed  $\frac{1}{3}$  you keep for seed next year  $\frac{1}{3}$  to be gifted out to the community and  $\frac{1}{3}$  back to ICM for supporting more growing projects ! This workshops takes a half a day to complete from start to finish, morning or afternoon times available. Now booking dates last week in March and first two weeks in April.
